

FINGERING CHART

ELECTRIC BASS

Instrument Care Reminders

- Be sure your amplifier is turned off before plugging-in or unplugging the audio cable connecting it to your instrument.
- When unplugging a cable, hold it by the plug (not by the wire).
- After playing, wipe off the instrument and strings with a clean soft cloth. Return the instrument to its case.
- Close all the latches on your case when the instrument is inside.
- Keep all 4 strings in tune (at normal tension) to prevent warping of the neck.
- Your case is designed to hold only specific objects. If you force anything else into the case, it may damage your instrument.

Fingerboard diagrams show you where to play the notes. Circles are drawn on the diagram to indicate the fingers to be used to play the notes.

Think of your fingers as being numbered 1 through 4.
